AQUARIUS

Self Interest

The Aquarius Mystery School explores the widest possibilities of the expansion of consciousness for its own sake, and as an end in itself. Aquarius is dedicated to unlimited freedom and unbounded spaciousness. In the human realm, it's always resonant with innovation, uniqueness, eccentricity, and the avant-garde. Aquarius has little interest in consensus realities or ordinary conventions. At its best, it aspires to see what others can't see, and then to be established in the place of the ultimate witness, the "I behind the I." This is ultimate objectivity.

AIR | MASCULINE | EVOLUTIONARY | NON-RELATIONAL | IMPERSONAL

Characterized by: Spaciousness, uniqueness, freedom, brilliance, objectivity; exploration of consciousness for its own sake.

Historical Themes and Stories: Devic kingdom and the realm of faerie, the "prime directive" (science fiction theme), mad scientist.

Spiritual Path: To courageously keep expanding the vision of possibilities, to come up with innovations and to see the ways that others do not see, to always question conformity to the herd and the tyranny of consensus reality.

AQUARIUS

*All life forms should have the right
and the opportunity
to have an existence,
which is endowed with the freedom to produce
the maximum amount of probable lines of reality,
in an evolving direction by choice,
without repression of awareness,
or manipulation of physical, mental, or spiritual aspects.
